TOP 10 DATING TIPS

Antonio
Zivanovic

Running a business is like dating -
it's about balancing assests and liabilities.

Kemp
Edmonds

If your date asks you if you have any
pre-existing conditions
it might not be a date.

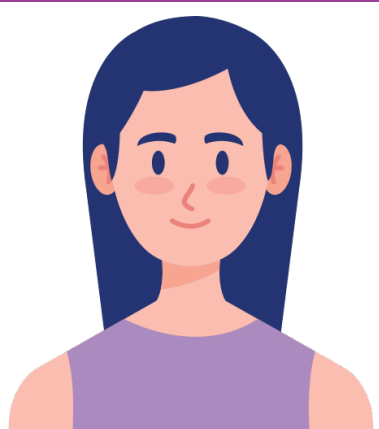

Joel
Canero

When your ex-tells you that you'll never
find anyone like them,
Don't stress – that's the point

Jacques
Wong

“You've come to the right guy!”
- Be transparent about who you are and
what your long term goals are so there's
alignment.

Amanda
Gange

If they start asking about your Life Insurance
Policies on the first date... Run!

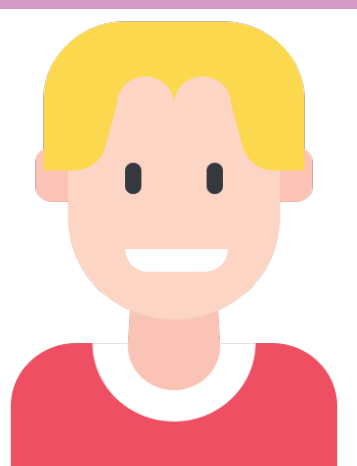

Manus
Shortall

If she hasn't heard of
'The Great Resignation' she's too young for
you bro....

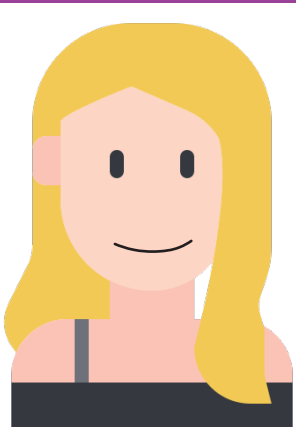

Aaron
Mozer

The way to start the conversation is to give a
compliment or ask for advice.

Antoine
Rochet

Insurance is like a relationship, the better
you choose the more rewarded you are.

Kas
Tkach

Do not break up with people because of
their personality - do it because of their
insurance plan.

Michael
Mishenberg

Be willing to compromise on little things to
get big wins.
